

Evening Singles, Anyone?

WRC Announces:

Singles Under the Lights

Play other WRC members Monday
- Thursday nights
starting
Monday, May 21st

How it works:

1. Courts 1 & 2 will be dedicated to ***Singles Under the Lights*** on Monday through Thursday nights.
 - Monday, Tuesday, Thursday: 8:00-10:30
 - Wednesday: 9-10:30
2. Maximum participants = 8 players. First-come-first-served.
 - Sign up in the CLUBHOUSE or email Rob Baron (robsue61@optonline.net) with your availability. (The more nights you are *available* to play, the more opportunity you will have to play different people.)
 - Rob will create a month-by-month schedule
3. Each player will be scheduled to play two nights per week.
 - Players will be responsible to get their own SUB from the list of players that are scheduled "off".
4. Matches are best of three 6-game sets. Seven point tiebreak is played at 6-6.
5. SCORING: Each player gets one point for each set won. A player winning the first two sets gets a bonus point (i.e., 3 points for winning the match in straight sets)
 - One player from each match will be designated to email the score to Rob by the next day.
6. Awards will be given at the end of the season to the three players with the highest number of points.

Interested? Please email Rob Baron at robsue61@optonline.net by 5pm May 16th with the nights that you are available to play. The more nights that you are available to play, the more matches you will get to play against different players.
