

## WRC Program for Members - Majesty of the Court

Monday Night Doubles Round Robin/Ladder. Most wins during a particular month gets you "Majesty of the Court" status!

Courts 1, 2 and 3 will be dedicated to Majesty of the Court

How it works:

- Mondays – Start Time: 7:00
- Each week, a different mix of 4 players will be assigned to each court
- Each player plays 8 doubles games with each other, for a total of 3 sets of 8 games each
- Each player reports the number of games they won on a Google Sheet
- The player with the highest number of games each month will be named "Majesty of the Court" for that month
- Players will be able to play each week based on their availability for that week
- The number of games you win determines your place on the court the next time you play (More wins one week means you'll play against other top winners the following week)
- The more Mondays that you play in a given month, the better chance that you have to collect the most game win and be named **Majesty of the Court** for that month!
