### OUR MISSION

Tennis is a FUN sport for children of ALL ages - and a sport for a lifetime. We welcome players of all ages & abilities. Each ACADEMY will have 10 1-hour sessions that will focus on the latest tennis techniques. Students will be grouped by age, ability & experience.

Beginners will learn the basic fundamentals of the game through fun games, drills & activities. Intermediate and advanced players will improve their skills and learn tactics and strategies through competitive drills and match play. There will be a fun tournament and pizza party on the last day of each Academy.

In addition to teaching the players the fundamentals of the game and developing their skills, the sessions will focus on promoting SPORTSMANSHIP, building confidence, improving overall coordination, creating a sense of community, and inspiring a lifelong love for tennis.
